Dear Footpaths Officer,

Quinquennial Declaration.

I enclose a map showing the extent of my territory at Top O'Th' Hill, Woodbottom, General Wood, and Henshaw, Walsden, Todmorden, with the boundaries edged in red. Marked in green is footpath 127 which connects Higher Knowl with Hollins Road at two points. Also, an un-numbered track, which I have not marked, runs alongside Rochdale Canal connecting Hollins Road with Alma Road, adjacent to the Hollins Bottom Mill.

Would you please make an entry in your records noting that no public footpaths, other than those mentioned above, traverse land in my ownership.

With thanks,

Yours faithfully,

[Redacted Signature]

Peter G. Ratcliffe.
