I, David Peter Hargreaves, declare that

With the exception of that public footpath marked in green running in an east west direction on the attached map, all paths, on the land and bridges enclosed within the boundary delineated in red on the attached map, known as Broadhead Clough nature reserve in the local authority area of Calderdale MBC, are not, and have never been intended to be used by the public as of right, the rights of ownership of the land are vested in the Yorkshire Wildlife Trust Ltd.

Yours sincerely,
