

the parental pledge

PARKING RESPONSIBLY BECAUSE I CARE

Every year we encounter problems with parents parking on the yellow and zig-zag lines outside this school. By parking in this way drivers are not only causing an obstruction, they are also putting children (including possibly your own) and other road users in danger.

We are asking all parents to sign up to a pledge to park considerately when dropping off and collecting children from this school.

Please sign this pledge to show that are willing to support the school in encouraging everyone to park responsibly near to the school and place in the rear window of your vehicle.

Signed (Parent or Carer):
