Schedule 14

Paragraph 2

- 2 (1) Subject to sub-paragraph (2), the applicant shall serve a notice stating that the application has been made on every owner and occupier of any land to which the application relates.
- (2) If, after reasonable inquiry has been made, the authority are satisfied that it is not practicable to ascertain the name or address of an owner or occupier of any land to which the application relates, the authority may direct that the notice required to be served on him by sub-paragraph (1) may be served by addressing it to him by the description 'owner' or 'occupier' of the land (describing it) and by affixing it to some conspicuous object or objects on the land.
- (3) When the requirements of this paragraph have been complied with, the applicant shall certify that fact to the authority.

All the land over which the claimed route lies is not under the same ownership. I have asked locally about landownership without success. The estate agents will not divulge the name + address of the landowner of Land which is currently for sale. The land coming up for sale is what has brought the way into question.
