19th December 2019

Dear Mr Dawes,

Under Ripponden Parish Council Resolution 2019-17623, Ripponden Parish Council have decided to remove themselves from the Neighbourhood Planning Process at this time. It is felt that the community are no longer in support of a neighbourhood plan and it is not felt that a neighbourhood plan is need for the area at this point.

If you need anything else from us please let us know.

Yours Sincerely

S Roberts
Clerk Ripponden Parish Council
