What is the Calderdale Autism Services Directory?

The Calderdale Autism Services Directory contains information about groups and organisations which provide a service to people with an Autistic Spectrum Condition (ASC) in Calderdale and surrounding areas. These groups and organisations are currently accessible to people who have an ASC, but may not be Autism specific.

Please note, that some of these groups and organisations may offer multiple services to people with an ASC but have been categorised based on the primary service they offer.

Education

Wood Bank Special School

Wood Bank Special School is a primary school supporting children between the ages of 2-11 years with special education needs, 25 per cent of who have an autism spectrum disorder (ASD). The staff are highly skilled and experienced which has allowed us to create an 'autism friendly' school. Children with ASD are, therefore, included in generic classes where specific strategies/approaches and an appropriate environment supports their learning.

Volunteers may be accepted to work with the pupils with enhanced DBS disclosures and with empathy for the needs of our pupils. The school uses the Structure, Positive (approaches and expectations), Empathy, Low arousal, Links (SPELL) framework.

Highbury Special School

Highbury special school is a community primary school providing for children from 2 -11years who have a range of special educational needs, and whose needs cannot be fully met in mainstream schools. Learning takes place in small class groups. A broadly balanced curriculum, including Foundation Stage for early year's pupils and a Creative Curriculum for older pupils, is offered based on the children's needs. Highbury has two-way links with a number of mainstream primary schools as part to its inclusion policy. This provides an ideal opportunity to increase the breadth of educational experiences available to the children. Highbury welcome parents/carers into school by contacting them beforehand to arrange a visit.

Job Centre Plus

Disability Employment Advisers in Calderdale

Based in Halifax with outreach services in Todmorden the Disability Employment Advisers assist Work Coaches to support customers with health condition or disability which impacts on their ability to find or sustain work.

This is achieved by sharing awareness, knowledge and skills with work coaches helping them to challenge, support and motivate as well as helping claimants identify and address their challenges to work.

We are able to work alongside Work Psychologists, Employment Advisers, internal Provision Managers as well as external stakeholders to assist in creating local solutions

to address shortfalls of employment and provision for customers with a complex health condition or disability.

We are a point of contact for GP's, NHS and Disability Charities and other external organisations. Our remit being to promote Jobcentre services and partner with them to source external provision and condition management.

With links to Access to Work we can support customers who are having difficulties within the work place and work closely with them to find solutions to problems such as "reasonable adjustments".

If anyone would like our support in progressing customers towards employment then please make contact using the details below.

Gig Buddies

The Gig Buddies Calderdale project aims to promote social inclusion among people who have a learning disability or autism by reducing the barriers they face in relation to accessing social activities. These have been identified as attending the theatre, cinema, live music and anything else that a person may wish to engage with in their leisure time. Our scheme aims to match volunteers who will be referred to as 'Gig Buddies' with people who have a learning disability or autism; our 'Gig Goers' based upon shared interests. Our aim is to create opportunities for people to meet and forge friendships based upon shared interests. Our idea is that we will match buddies with people and arrange introductions before supporting you to your first gig; whatever this may be. We would then leave you to meet once per month to meet up independently and make arrangements to attend other events.

We also organise group socials for people who are part of the project to meet even more people and socialise twice a month. We put out suggestions to the group and go with the majority.

Healthy Minds

Healthy Minds formed in 2007 in response to a need identified by people using statutory mental health services in Calderdale for a local, independent, service user led, mental health organisation in Calderdale.

Healthy Minds is aimed at anyone who has experienced or been affected by mental distress, not just people who use statutory services. This includes carers, people who manage their own health and people who have used but no longer use statutory services.

Healthy Minds currently run an information service to provide information, advice and support to people with mental health issues through regular drop in sessions. They also run an anti-stigma project where people who have experienced mental health stigma can become facilitators to run community based workshops. Healthy Minds also run a 'stress less' course for people to access.

Healthy Minds also run various support groups on a regular basis including:

- Hearing Voices
- Bi-Polar
- Depression
- Anxiety

- Mum Time
- Wellbeing Works
- Women's Group
- Men's Group
- Self Harm
- Chronic Pain

Support and Information Service

Calderdale Autism Hubs

Calderdale's new Autism Hubs provide information, signposting and peer support for individuals living in Calderdale (aged 16+) on the autism spectrum who have little or no funded support in place. The Hubs take place weekly in Halifax (Wednesdays) and monthly in Todmorden (first Tuesday of the month) to accommodate people across the Calderdale area.
