

The Positive Choices team is part of Calderdale Council and provides a simple single point of access to essential support for young people.

The team works with other services to ensure effective support that benefits all the family and the community.

Supporting you during pregnancy and early years

Funded by

Positive Choices provides you with support as a young person and as a parent during pregnancy and early years.

The Positive Choices team will support you to make well informed choices about parenthood providing accurate information and time to explore how you feel so that you can make the decision that is right for you.

The Positive Choices team will provide you with early support about sex and relationships so you have full understanding of family planning.

The team will support you to make the best choices about parenthood and help you to have the best outcomes if you chose to start a family and be a parent at a time that is right for you.

The Positive Choices team will work with you in an open and honest way. This relationship will help you to be a successful parent now and in the future.

Your keyworker will support you in a way that starts with your strengths and those of the family.

You will be supported at home and out and about in the community.
