* Please delete as appropriate

This is a detailed topographical map of the Warley Moor area. The map shows a complex network of water bodies, including Warley Moor Reservoir, Midgley Moor, Little Moor, and several smaller reservoirs like Upper Dean Head and Lower Dean Head. The map also shows roads, paths, and various landmarks such as 'The Park' and 'Fulsham'. A yellow line highlights a specific path or boundary running through the lower part of the map. The map is oriented with North at the top.
