Date: 07 April 2022

Dear Sir/Madam

**SCHEME UNDER SECTION 106(3) HIGHWAYS ACT 1980 - BRIDGE OVER
NAVIGABLE WATERS OF CALDER AND HEBBLE NAVIGATION TO A POINT
ON THE SOUTH BACK OF THE RIVER CALDER IN ELLAND**

**A6025 PARK ROAD AND RIVERSIDE PARK (ADJACENT TO CENTURY ROAD)
HALIFAX**

We received notification from Calderdale Metropolitan Borough Council on the 22 February 2022 that it has submitted to the Secretary of State for Transport for confirmation the above mentioned scheme under Section 106(3) of the Highways Act 1980 authorising the Council to construct a bridge over the River Calder and Hebble Navigation in Elland. We are advised that we may make comments on the confirmation of the scheme no later than 8 April 2022.

We have no objection to the proposed scheme subject to it being implemented in accordance with the submitted documents.

We have seen this proposal under the formal planning application (21/00017/LAA) that was submitted to Calderdale Metropolitan Borough Council. We provided our formal consultation response, with our comments submitted on the 17 August 2021 (reference RA/2021/142706/04-L01). We removed our objection to the scheme subject to conditions. Please see the attached letter for information.

An Environmental Permit (under The Environmental Permitting (England and Wales) Regulations 2016) will be required for this scheme. On the basis that an Environmental Permit will be sought by the applicant, we have no objection.

We trust the above advice is useful.

If I can be of any further assistance, please don't hesitate to contact me.
