

## ROUTE INFO

1. Access the canal towpath at Hollins Mill Lane, turn right and follow the towpath to Sowerby Bridge. The canal should be on your left.

2. Exit the towpath and follow the car park to the exit point with the A6139. Turn right and follow the footway downhill to the pedestrian crossing. Use the crossing to get across the A58, turn left and then immediately right onto the canal towpath.

3. Follow the canal towpath through Sowerby Bridge Canal basin for approximately 1 mile.

4. Look for the exit point off the canal towpath just before Hollas Lane Bridge (Canal Bridge). Follow the pavement along Hollas Lane crossing the large river bridge.

5. Turn right onto the footpath running parallel to the River Calder and follow until you reach the road at the other end.

6. Turn right onto Fall Lane and cross the River Calder using the road bridge, you can access the canal towpath back towards Sowerby Bridge on both sides between the two bridges that span the canal and river.

7. Retrace your steps back to the start or follow the towpath back to Sowerby Bridge to see what the town has to offer.
